## United States Agricultural Society.

OFFICE 292 WASHINGTON STREET, BOSTON.

A GRAND NATIONAL EXHIBITION OF STOCK—CATTLE, Horses, Sheep and Swine—open to competition to all the States of the Union, and to the British Provinces, will be held by the United States Agricultural Society, in the City of BOSTON, on Tuesday, Wednesday, Thursday, Friday and Saturday, Oct. 23d, 24th, 25th, 26th and 27th.

The City of Boston has generously granted to the Society, for present use, a fine public square of fifty acres, at the South End, bounded by Harrison Avenue, Chester, Albany and Brookline Streets. Twenty Thousand Dollars have been guaranteed by patriotic gentlemen of Boston and its vicinity to defray the expenses; and Ten Thousand Dollars will be offered in Premiums, in the various departments.

The previous Exhibitions of this Society—at Springfield, Mass., in 1853, and at Springfield, Ohio, in 1854—were eminently successful, and no efforts will be spared to make the present Show, combining, as it does, the Four Great Departments of Farming Stock, superior to its predecessors.

The Premium List, with the Rules of the Exhibition, and all required information, will be furnished, by addressing the Secretary, at his office, No. 292 Washington street, Boston.

It is earnestly hoped that all Breeders, and owners of Fine Stock, will feel it to be a duty, as it certainly is for their interest, to contribute to the Show.

The List of Entries, Exhibitors, and Award of Premiums, and all the proceedings of the Exhibition, will be published in the Journal of the Society, for 1855. Annual Members of the Society, who desire to receive the Journal, should remember to renew their subscriptions.

## THIRD NATIONAL EXHIBITION

OF THE

# United States Agricultural Society,

### AT BOSTON,

OCTOBER 23d, 24th, 25th, 26th, and 27th, 1955.

## GENERAL ARRANGEMENTS.

THE SHOW GROUNDS are located on Harrison Avenue, (which runs parallel to Washington Street,) about one mile from the head of State Street. Omnibuses, furnished with flags for the occasion, will convey passengers, at a charge of six cents.

The gates will be opened for the admission of the public, on Tuesday, Wednesday, Thursday, Friday, and Saturday, the 23d, 24th, 25th, 26th, and 27th, from 8 A. M. until sundown, of each day.

The Marshals and the Superintendents of the various classes will meet at the President's Marquee, at 8 o'clock A. M., on Tuesday, 23d, to perfect arrangements for the day.

#### SUPERINTENDENTS.

The Superintendents are required to take particular charge of all animals in their respective departments, and see that they are arranged, as near as may be, in numerical order, for easy approach and examination.

A Superintendent will accompany each set of Judges, and point out the different animals to be exhibited. They will also see that the animals are provided with halters, and suitably arranged for the exhibition of each day.

#### THE JUDGES.

The Judges are requested to report themselves at the business office of the Secretary, on the north-west corner of the grounds, (corner of Harrison Avenue and Brookline Streets,) where cards of admission, etc., etc., will be furnished to them.

Vacancies will be filled by the Executive Committee, at 1 o'clock, at the Committee Rooms, on Tuesday, when the books of entries will be delivered.

The Judges, Marshals, Superintendents, and Invited Guests, will dine with the Officers of the Society, daily, at 1 o'clock, at the Committee Room building, on the north-east corner of the grounds.

The Judges will, at their discretion, appoint a time for the cxamination of animals in their stalls, of which due notice will be given, through the Superintendents, to exhibitors; the cxhibition, in the cattle rings or on the track, will take place punctually at the hours hereinafter specified.

The Judges will report not only the animals entitled to premiums, but also those next in merit, in each class, to meet the contingency of any objection which may arise to the awards, and also that they may receive suitable commendation. Any animal which, in the opinion of the Judges, deserves a special commendation, will be so reported to the Executive Committee.

Discretionary Premiums may be awarded with the previous permission of the Executive Committee, expressed through the Secretary.

Regard will be had to the purity of blood, as established

by pedigree, symmetry, size, and general characteristics of the several breeds; and the Judges will make proper allowance for age, feeding, and other circumstances. They are expressly required not to give encouragement to over-fed animals in the breeding classes.

If not satisfied as to the regularity of the entries in their respective classes, they will apply to the Secretary for information; and, should there still be any doubt, after examination, or, if any animal is of such a character as not to be entitled to exhibition in competition, they will report the facts to the Secretary, for the consideration of the Executive Committee, that such course may be adopted as the case may require.

No person who is an exhibitor can act as a Judge on the class in which he exhibits. And, during the examinations of the Judges, if any person interferes with them, by letter or otherwise, he will be excluded from the competition. But exhibitors, when requested, are expected to make verbal or written statements concerning their stock.

As one great object of the Society is to collect valuable information upon the subject-matter of the exhibition, the several committees are requested to gather all the information possible from exhibitors in their classes, and to make their reports as full as time and circumstances will permit.

When there is but one exhibitor, although he may show several animals in the same class and order, only one premium will be awarded; that to be first or otherwise, as the merits of the animal may be adjudged; and when the animal is not deemed worthy of a premium, the judges will, at their discretion, withhold it. An animal entered for exhibition in one class cannot compete for premium in any other, but cattle in other classes are not prohibited from competing for the Herd Premium.

The Reports of the Judges, (except on the trial of trotting horses, on Friday and Saturday mornings,) must be handed to the Secretary on Thursday afternoon, that Diplomas may be prepared, in season, for the successful competitors.

The awards will be announced at the Banquet, on Friday afternoon; and Judges are requested not to declare their decisions previously, except on the trials of speed.

The Reports of Judges will be published in the Journal of the United States Agricultural Society, which is furnished to all members of the Society, without other expense than postage.

#### EXHIBITORS.

Entries of stock may be made at the office of the Secretary, on the grounds, until 9 o'clock, A. M., on Tuesday, when the books will be closed.

The exhibition of stock in the rings and on the track will take place precisely at the times specified in the subjoined arrangement; and animals not prepared at the proper time and place, may, at the discretion of the Judges, be ruled out of competition.

Stock will be marked with cards furnished by the Secretary, designating the class and No. of entry; and during the exhibition, stock must be placed entirely under the management of the Officers of the Society.

Authentic pedigrees of BLOOD STOCK of all kinds will be required.

Arrangements will be made for the trial of draught horses and oxen, by testing their strength, docility, etc., at a load.

A half-mile track, (measuring from the middle of the track,) for the trial of horses, has been prepared, and commodious seats for spectators are furnished at a small charge.

No horse will be allowed a premium unless he be sound.

For any exhibitors who may wish to dispose of their stock, the services of an auctioneer has been secured, and the use of the grounds given for Saturday, at 2 o'clock, P. M., and the Secretary will give notice of such sale if entry is made with him to that effect.

The Executive Committee will take every possible precaution for the safe keeping of Stock on Exhibition, after its

arrival and arrangement upon the grounds, but will not be responsible for any damage that may occur. They desire exhibitors to give personal attention to their animals, and, at the close of the Fair, to attend to their removal.

Exhibitors must see to the delivery of their animals upon the Show Grounds; and the Society cannot, in any case, make provision for their transportation, or be subjected to any expense therefor, either in their delivery at or return from the grounds; but all the expenses connected therewith must, as heretofore, be provided for by the exhibitors.

For the convenience of exhibitors, stalls and covering will be provided for the Stock; and forage, consisting of hay and straw (for litter), with water, will be supplied without charge; so that animals, on their arrival, may be driven to the Show Grounds, and need not be removed till the Exhibition is closed. Grain will be furnished for Swine. Grain for other Stock will also be upon the Ground, and will be furnished to those who desire it at the market price.

#### RAILROAD ARRANGEMENT.

Arrangements have been effected for the return of such stock as may be exhibited, free of expense, over the following railroads: To New York by all the routes. Over the New York and Erie. To Chicago, via Albany, Suspension Bridge and Detroit. Also over the Connecticut River; Fitchburg; Vermont and Massachusetts; Cheshire; Rutland and Burlington; Boston and Lowell; Nashua and Lowell; Concord; Boston, Concord and Montreal; Northern; Passumpsic; Vermont Central; Vermont and Canada; Ogdensburg; Eastern; and Boston and Maine.
